CALL FOR ACADEMIC AND REVIEW PAPERS

The Pan-American Association of Architects [FPAA] and the Brazilian Institute of Architects [IAB-DN and IAB-AL] invite architects, urban planners and landscape architects, researchers, scholars and professionals to discuss architecture and urban planning in the **XXIV PAN-AMERICAN CONGRESS OF ARCHITECTS (CPA)** whose main theme is ***LIVING THE TERRITORY, IMAGINING AMERICA***. Proposals for contributions to the debate should be first submitted in the **expanded abstract** format according to the standards specified below, and must be related to the central theme of the XXIV CPA and one of its dimensions. The standards for editing/publishing of the **full text** of the proposals selected during the first phase will be informed in due time.

TECHNICAL STANDARDS for submitting the ABSTRACT of the papers

Expanded Abstracts should be submitted with up to 6.000 characters without spaces, RTF (Rich Text Format) format, Arial 11 font. Do not include images. The following languages are accepted: Portuguese, Spanish, English and French (however, simultaneous translation from French into other languages and vice-versa in the case of oral presentations is not assured yet).

TITLE (Arial 14, in capital letters, bold). **Name(s) of the Author(s)**, **Institution** author(s) is/are affiliated with (Arial11).

The abstracts of papers for the XXIV CPA should have the following structure: theme, objectives, methodology and information used, some of the findings, conclusions or reflections on the findings, proposals for debate, main bibliographical references (maximum of ten).

The thematic dimension in which the paper is inserted should also be indicated.

Send Expanded Abstracts to e-mail: comitecientifico@xxivcpa.com.br until April 08, 2012.

EVALUATION OF ABSTRACTS

Abstracts submitted within the deadline will be analyzed by the Scientific Committee of the XXIV CPA for approval and will be classified in one of the following categories:

[1] Abstract approved for publication,
[2] Abstract not approved.

TECHNICAL STANDARDS for submitting FULL TEXT

The **full text** of selected papers, 10 to 20 pages long, should be sent to e-mail: comitecientifico@xxivcpa.com.br until September 02, 2012, strictly following the standards that will be informed in due time. No corrections or reformulations will be done in the received text.

The full text will be analyzed by the Scientific Committee and will be classified in one of the following categories:

(1) approved for publication of expanded abstract only;
(2) approved for publication of abstract and full text;
(3) approved for publication of abstract and full text and for ORAL PRESENTATION;

(4) approved for publication of abstract and full text and for PRINTED POSTER PRESENTATION.

The standards for the posters, as well as the maximum length for the oral presentations, will be duly informed on the website of the XXIV CPA.

The publication and/or presentation of the paper will only be effected with the registration confirmation for the XXIV and proof of payment of the registration fee by the established deadline.
