

## EXHIBITION / SPONSORSHIP

During the conference, a Technical Exhibition will take place with focus on techniques and systems used for high-rise structures, as well as applied engineering works, allowing for the participation of companies or organizations interested in this theme.

Companies / organizations interested in exhibiting their products and services or sponsor the event are invited to contact the Conference Secretariat.

## LOCATION

The meeting will take place at the Campus of Technische Universität München.

## CONTACT

All the correspondence should be addressed to:

Chairman of the Organizing Committee of the International Conference for Highrise Towers and Tall Buildings 2010

Prof. Dr.-Ing. E.h. Konrad Zilch  
Technische Universität München  
80290 München  
Germany

Tel.: + 49 89 289 23038

Fax: + 49 89 289 23046

Email: [k.zilch@mb.bv.tum.de](mailto:k.zilch@mb.bv.tum.de)

## SECRETARY

International Conference for Highrise Towers and Tall Buildings 2010

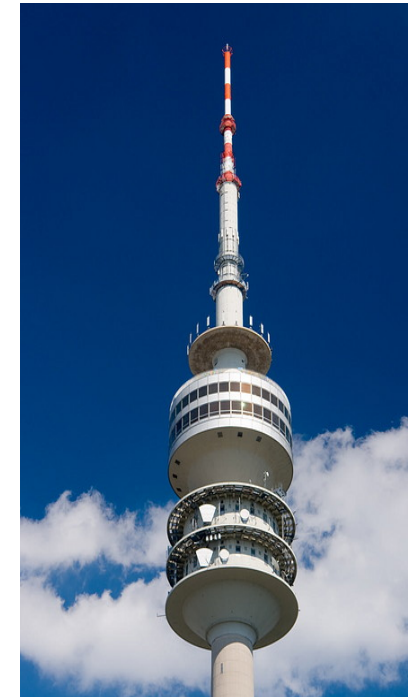

Secretariat  
a/c Mrs. Anneliese Spitzauer  
Technische Universität München  
80290 München  
Germany

*First  
Announce-  
ment and Call  
for Papers*

**International Conference for Highrise Towers and Tall Buildings 2010**

**Design and Construction of safe and sustainable highrise structures**

**14<sup>th</sup> to 16<sup>th</sup> April 2010**

**Munich**

## OBJECTIVES

Following the success of the former conferences in Bangalore, Singapore, London, Kuala Lumpur, Madrid, Toronto, Dubai and Abu Dhabi the International Federation for High Rise Structures (IFHS) and Technische Universität München have decided to announce the organization of the 9<sup>th</sup> International Conference for Highrise Towers and Tall Buildings 2010, that will be held at the Technische Universität München from April 14-16, 2010. Engineers and researchers from around the world will find the Munich conference 2010 to be a unique opportunity to share new ideas, experiences, and knowledge within the field of Highrise Towers and Tall Buildings.

## CALL FOR PAPERS

Papers on any topic relevant to the Conference themes are welcome. One page abstracts in English should be submitted electronically through the conference web-page [www.mb.bv.tum.de/ifhs](http://www.mb.bv.tum.de/ifhs) until October 15th, 2009. Contributed papers will be selected by the Scientific Committee on the basis of these abstracts. The abstract should clearly state the purpose and the conclusions of the full paper. Detailed instructions will be sent to the authors of the selected abstracts. The final paper will be checked by the Scientific Committee.

## SCIENTIFIC PROGRAM / TOPICS

The scientific program will consist of peer-reviewed papers presented in Technical Sessions. In addition, Keynote Lectures will be given by invited speakers. Topics of the conference will be:

- Sustainability and economy
- Urbanistic concepts and Transportation
- Building method
- Requirements on safety, fire protection, escape
- Rehabilitation, conversion, re-development
- Building equipment and energy supplies
- Cladding and Building materials
- Design aspects (foundation, stability, earthquake)
- Comfortableness and microclimate
- Insurance (risk management)

## DEADLINES

Deadline for abstracts October 15, 2009  
Acceptance of abstracts November 15, 2009  
Deadline for papers January 15, 2010  
Acceptance of papers February 15, 2010

## CONFERENCE PROCEEDINGS

All accepted papers will be published in the Proceedings, which will be available during the Conference. The proceedings will include 2 page abstracts and a CD-ROM including full papers.

## SCIENTIFIC COMMITTEE

K. Zilch, Germany  
S. Winter, Germany  
D. Fink, Germany
