

PROFESSIONAL PRACTICE DATABASE QUESTIONNAIRE – INSTRUCTIONS MANUAL

The Professional Practice Database provides inside information about the architectural profession around the world. It is the best existing database to understand the context in which architects work and constitutes a focal point in assisting them in their transnational practice.

You have been asked to provide information relative to your country using a web content management system. Please note that this current study update concerns data relative to year 2011.

Login

To login to the questionnaire, please go to the address:
<http://apaw.uia-architectes.org/login>

The screenshot shows the login page for the 'ARCHITECTURAL PROFESSION AROUND THE WORLD' questionnaire. At the top, there is a banner with the UIA logo and the text 'UNION INTERNATIONALE DES ARCHITECTES' next to a world map. Below the banner, the title 'ARCHITECTURAL PROFESSION AROUND THE WORLD' is displayed in green. Underneath, it says 'Login page to questionnaire'. There are two input fields: 'Username' with the placeholder text 'Country_Username' and 'Password' with a masked password '*****'. A 'Login' button is located below the password field.

Fill-in the Username and Password you have been given by the UIA Secretariat.

If you haven't received your login information, or if you've lost it, please contact APAWmanagement@uia-architectes.org. Please do not forget to mention your country.
