**EDUCATION FACILITIES AND
ECONOMIC RECOVERY:**
A Guide to School Construction and Modernization
in the American Recovery and Reinvestment Act

*Sponsored by The American Institute of Architects and
The Council of Educational Facility Planners International*

**Thursday, May 21, 2009
1:30 – 3:00 pm EDT**

The American Recovery and Reinvestment Act of 2009 (ARRA) makes billions of dollars available through grants and bonding authority to states and localities for the construction, repair, renovation and modernization of K-12 and higher education facilities.

You will hear from the experts on how these funds will be allocated, distributed and administered, and how design, construction and school facility professionals can partner with state and local agencies to utilize this funding.

Topics include:

- *How funds from the Department of Education State Stabilization Fund can be used for school modernization, renovation and repair*
- *How the Build America Bonds, Qualified School Construction Bonds and Qualified Zone Academy Bonds can be used*
- *Additional sources of funding for school facilities in ARRA, including Impact Aid and Indian schools*

Presenters:

Judy Marks, Deputy Director, National Clearinghouse for Educational Facilities

Timothy Jones

IRS Chief Counsel, Tax Exempt Bond Branch

Bob Canavan, Rebuild America's Schools Coalition
