

Young Architects Award

The following materials should be uploaded as a single PDF file smaller than 6 MB in the order listed not to exceed 24 pages.

1. A one-page nomination letter by the AIA member, group of members, component, or Knowledge Community that summarizes the contributions made
2. A biography of the nominee, not to exceed two pages, including a list of offices, positions, honors, publications, and presentations that relate to the purpose of the award
3. A one-page statement of contributions that illustrates the effect of the work
4. Exhibits of a maximum of 15 pages with images and/or drawings or other materials that best demonstrate the outstanding accomplishments
5. Five one-page letters of support that are explicit in their recommendation and contain specific reasons for support (the one page letter is to be written on company letterhead containing an original or electronic signature)
